

# Civic Leadership High School

## Welcome Back

Welcome back CLHS Families,

I am so excited for the 2018-2019 school year. As the brand new Civic Leadership High School, we have so many opportunities including: brand new Chromebooks for students, new Changemaker courses, club days, revamped advisories, experiential field trips, upcoming internships, and let's not forget our new relationship with Asnuntuck Community College for our seniors! We are offering an education like no other. We are a community dedicated to the success and preparation of all of our students. Make it a great day.

Mr. Larson

## Staff Updates

**Civic Leadership High School would like to formally welcome and introduce the following new staff:**

Matthew Reed- Theme Coordinator

Kayla Benedetto- Speech Therapist

Kimone Reid- Paraprofessional

Keely Ouellette-Danis- Chemistry Teacher

Shannon Boone- School Security Officer

## Family Engagement Specialist

CLHS is always looking for innovative ways to provide support to families. With that goal in mind, it is with great excitement that we introduce our new Family Engagement Specialist, Janice Perez.

In this role, Ms. Perez will be:

- Developing mutual goals for student success with families
- Making families aware of available services throughout the school and community
- Facilitating the involvement of parents/guardians into the school process

We welcome and encourage our families to share ideas or concerns that will improve the school community. Join Ms. Perez and CLHS in making this a great year! Let's work together and build bridges!

## Community Resources

Civic Leadership Academy is here to support its students and families. Here are some useful resources:
